General Rules

Smoking Policy

There's a no smoking policy for all areas of the Pro Shop, pool and all restaurant areas. This also includes all e-cigarettes and vapors.

Dress Code

Beatrice Country Clubs' Dress Code Policy is golf attire on the course and driving range. While trends often change, we cannot specify each and every article of clothing. When in doubt, contact the Pro Shop. If proper attire is not worn, you may be asked to go home and change or purchase available merchandise in the Pro Shop.

The following are specific examples of inappropriate dress on the golf course:

- Cut-off pants or shorts of any length
- Any clothing or shoes with holes or rips
- Tank tops, tube tops, muscle shirts, sleeveless shirts for men, cropped or cut-off shirts
- Any type of "short-shorts" including athletic running shorts
- Any clothing that displays offensive language or graphics
- Ball caps, visors or hats worn not facing forward
- Swim attire
- Shorts or slacks hanging substantially below the waistline

Violations will be handled discreetly and, when possible, addressed in person. Staff will only deny service to an individual whose dress is blatantly in violation and/or is potentially offensive. Violators will be sent a letter with dress a code reminder.

Please note that members are responsible for notifying guests of our dress code, spikeless golf shoes restriction and the no smoking policy.

Guests

Members are encouraged to entertain guests at the Club providing they accompany them. If a member can't accompany their guests, other advance arrangements must be made with Club management. Members are responsible for the conduct, dress and charges of their guests.

Charges

Monthly statements: Statements will be mailed at the beginning of the month and monthly dues are billed in advance. All amounts reflected on the statements are due on the 25th of the following month. If account balances are not paid as required, the member's privileges to use the Club will be suspended. All dues, assessments and finance charges will continue to accrue.

Suspension and Reinstatement Policy

Upon failure of any member to pay their account balance when due, such member may be suspended. A member may also be suspended for willful or continued misconduct as the Board of Directors may deem prejudicial to the best interests of the Club and its members.

Reservations and Special Parties

Reservations must be made for all Club activities unless otherwise stated. Special parties must be arranged through the Head Pro or Pro Shop staff for any type of function that will interfere with the regularly scheduled activities of the Club.

Tipping

The tipping policy at the Club is the same as at most establishments. It's a matter of personal preference and a reward for good service.

Service

In the event of unsatisfactory service, please report the instance to the Head Pro so immediate action can be taken. Members are requested not to directly reprimand any employee of the Club.

Suspension or expulsion from the Club due to misconduct

Any Club staff has the full authority from the Board of Directors to expel any person from any Beatrice Country Club area or facility for any reason, at any time of the year, in order to protect the Club from harm. Club staff also has the right to expel anyone to maintain a non-disruptive, pleasant and safe environment for all members.

Upon expelling a member, a letter will be sent from the Club Office informing them of the expulsion. The reason for the expulsion will be documented and maintained on the file for review by the Board of Directors.

Appeals concerning this policy may only be made in person to the Board of Directors at a regularly scheduled Board meeting.

Harassment

It's the policy of the Club to prohibit harassment of any kind among staff, Club members or guests. Harassment can be in the form of ethnic, racial, sexual, disability, age, marital status, religious or any other form that creates an intimidating, hostile or offensive environment. We hope that all members and guests would treat others how you would like to be treated.

Prohibited harassment may take many forms and can include verbal harassment (derogatory comments, epithets and/or slurs), physical harassment (assault or physical touching or interference), visual harassment (posters, cartoons, drawings) and innuendos or false rumors.

The Club cannot prevent violations of this policy unless such behavior is observed or reported. If any staff member, Club member or guest has reason to believe that themselves or another person has been harassed, the violation should be reported to the general manager. If the affect party is uncomfortable reporting the matter to the general manager, believes a satisfactory response was not provided or is a party to the harassment, the person should report the violation to the Board President or any member of the Board of Directors.

Complaints will be kept confidential, and the reporting person will not suffer negative consequences as a result of bringing concerns to management's attention. All complaints received will be promptly and thoroughly investigated. If the investigation reveals that a person has been harassed at work, appropriate action including disciplinary action against offending individuals will be immediately taken when applicable.

If any staff member, Club member or guest involved in the investigation of a harassment complaint fails to keep the complaint confidential that would be considered a separate violation. A separate violation can include any retaliatory action taken against or directed the person who made a harassment complaint. Violations of this policy will result in appropriate disciplinary action, up to and including termination of employment, or in the case of a Club member, suspension of Club privileges. The Club reserves the right to provide information regarding any harassment complaint or retaliatory conduct to the appropriate legal authorities if the Club, in its sole discretion, believes illegal conduct has occurred.
