

Owen Schuette, PGA

Head Golf Professional - Beatrice Country Club

Hello my name is Owen Schuette I am very excited to be a part of Beatrice Country Club. I grew up in Lincoln and went to Southeast H.S. I graduated from UNL with a Professional Golf Management degree in 2016. I have been a PGA Member since 2016 & have been in the Nebraska Section for my entire PGA career. I have worked with 2 different golf courses, Ashland Golf Club & Shoreline Golf Course that are associated with Landscapes Unlimited for different levels of management.

I have been married to my wife Kerri for the last 12 years. We have two children; Paige is 9 years old and Jack is 7 years old. They are both very active in different activities like gymnastics, basketball, football and are learning the game of golf. As a family we try to attend, when possible, Husker football and basketball games and try to keep our kids entertained.

I am very excited to join the Beatrice Country Club team and getting to know the membership. I look forward to providing the best club and customer experience possible to the membership and guests of Beatrice Country Club and hope to bring a level of professionalism and excitement to events to help enhance and grow the membership of Beatrice Country Club.

We are working to set up new email addresses for Owen, Andy, Jesse and other key staff but are always able to be contacted in the Golf Shop.
